^{*1} Employee turnover rate includes retirement.

^{*2} Number of unionized employees includes full-time employees, Senior Partners (reemployment after retiring) and contract employees. Number of unionized employees includes those of Nissan Motor Kyushu.

^{*3} Average annual salary for employees includes bonuses and overtime pay.

^{*4} Ratio of the average pay of women employees to that of men employees, calculating the average pay by dividing the total amount paid, including salaries, allowances, and bonuses, by the number of employees. Although there is a gap in average pay per person due to differences in composition between men employees and women employees, such as the ratio of managers, there is no difference in treatment between men employees and women employees in the pay.

^{*5} While the average for the calendar year (January to December) was stated before 2021, it is changed to the average for the fiscal year (April to March) from 2022. The figures exclude managers.

^{*6} Ratio of men employees taking childcare leave: (Numerator) Number of men employees who take childcare leave at least 1 day in the year. (Denominator) Number of men employees whose spouses give birth in the year.
